

Directions

TheoPRO is located at:
21150 W Capitol Dr, Pewaukee, WI 53072

Capitol Drive is also known as Highway 190. We are located between Barker Road and Springdale Road on Capitol Drive/HWY190.

Culvers, Citgo, & Subway are the driveway to the left (west) of us and there is a Jack Safro car dealership to the east of us on the opposite side of the road.

Look for Weisflogs and Animal Eye Care Specialists (both in the white building) at 21160 W Capitol Drive.

You need to turn right into their parking lot and go through it up to L-shaped one-story tan brick building. Suite 4 is about the middle of the building. Please remember that lunch is on your own and you must provide your own transportation for it.
